

ANS Try It Event Policy

Archery Nova Scotia is constantly working to increase participation in the sport of archery. The Try-It Event Funding program is to assist all its member clubs in reaching the maximum number of new potential archers.

Below are the programs guidelines:

1. Archery Nova Scotia will provide funding to assist with Try-It Event(s) expenses for each club. Each club is eligible for a maximum of \$100 per fiscal year, September 1 to August 31.
2. Archery Nova Scotia will only provide funding for Club sponsored events. Individuals are not eligible to receive funding for Try-It events. All cheques/EMT's for Try-It funding will only be written to a club or sent to a club email.
3. Clubs agree to record every event attendee in their Short-Term Participant logbook that is attached to this policy. If a club does not complete and submit their participation numbers that club will be ineligible for the Try-It Event Funding Program for that year.
4. Clubs must submit an ANS Expense Claim form (attached to policy) with the details of the event at least 14 days prior to hosting the event(s), for approval by the Board of Directors. Within 30 days of the event being complete, clubs must submit copies of the Short-Term Participant Logbook from the event before funding is approved.
5. Archery Nova Scotia will provide advertising for all event(s) on the Archery Nova Scotia website and Facebook page if requested by the hosting club.
